SUBSCRIPTION RENEWAL 2012/13

Dear Colleague

AJMF is a non profit organisation that supports medical institutions and charities in Israel, promotes fellowship between its members, and provides funding for medical students and fellows in Australia and overseas.

We are grateful for your support and hope that you are able to join hundreds of like minded doctors by paying your tax-deductible subscription for the next financial year.

To help us keep our database current, please fill in all your details below and advise us of any changes. To save costs, a receipt will not be issued as once paid this is a tax receipt. Please ignore this membership renewal if you have already paid your subscription.

Best wishes,
Mark Steiner
Honorary Treasurer
