

**MEDICINAL CANNABIS IS
GENERATING HUGE INTEREST
IN OUR COMMUNITY
BUT WE STILL LACK SUFFICIENT
KNOWLEDGE TO UNDERSTAND
ITS EFFICACY**

INVITATION

AUSiMED invites you to hear a world expert in the use of medicinal cannabis to treat disease —
Dr David Meiri, Assistant Professor
at the Technion, Israel.

You will also hear about AUSiMED's plans to share knowledge and skills from Dr Meiri's lab with Australia.

This briefing is essential for anyone wishing to understand how cannabis can be used as a treatment or interested in investing in this area.

8.00 – 9.30pm

Briefing followed by
a kosher supper
